RINA Services - Certification services connected with the main European Directives.

Good Weave International - Certification to our compliance with fair labor practices that strictly abhors the use of child labor certifying that their product is made without child labor.

Dun & Bradstreet – An American public company that licenses information on businesses and corporations for use in credit decisions, business-to-business marketing and supply chain management. Often referred to as D&B

Sedex – A non profit global membership organization dedicated to driving improvements in responsible and ethical business practices in global supply chains.

ISO 9001-2008 - A series of standards, that define, establish, and maintain an effective quality assurance system for manufacturing and service industries, including the eight management principles upon which the family of standards is based.

Care & Fair – Is an initiative of the European carpet trade, founded by socially engaged carpet traders for self-help with which illegal child labor is combated to improve the situation of the weavers and their families

*Our group is engaged in **Handmade Carpets Industry since 1925**. By virtue of our high standard infra-structure, we have been awarded quite a few worldwide recognized certifications from International Organizations. Since we are delivering high quality carpets with 100% compliance on **European standard norms**, we stand out to be among top most leading brands in entire Europe continent.*

We are having ultra-modern integrated production facility within our campus that includes Yarn Spinning, Colouring, Designing, Weaving, Printing and Finishing. We don't trust on out-sourcing finished products, which is a common practice in this industry.

*From manufacturing Traditional Carpets since decades, recently we specialized incustomized carpet solutions. We undertake projects in 100% Natural eco-friendly materials like **Pure Silk, Virgin Wool, Botanical Silk, Cotton & Sasil** etc. that deliver quality and add up the lasting value.*

*An excellent modern carpet design for living room or some ideas imposing home designs rug intended for other rooms is always a dream for everyone. In order to convert your dream into reality, we have a team of acclaimed and experienced designers who take time to fully understand your objectives and propose optimal solutions to create **one-of-a-kind masterpiece** that goes into creativity and custom-designing each carpet produced.*

*We are continuously pushing the limits of creativity and innovation from design conception to production, The team's creative capabilities are greatly enhanced by the most advanced computerized drafting and design tools that generate life like renderings and allow clients to visualize their environment accurately, from rich plain wool and contemporary patterned carpets to cultural masterpieces inspired by the rich **local heritage**. We guarantee the highest standards made possible by the combination of **elegant design, timeless style quality materials**.*

*While having our own yarn dyeing facilities, we have developed colour reference system, in our own brand, **ARS Colors**. We are the only producer having largest number of **6551** colors shades and became "**World's Leader in Colour Language**" having presence in sixty five countries.*

*As a part of diversification, we are also manufacturing customized **Home Furnishing Textiles Articles**, like Curtain, Cushion, Poufs, Throws, and Doormats etc. matching with customize carpet and interiors decoration theme.*

"We believe in creating your dreams into reality"
